Message from the Provost and Vice-Presidents  
=====

Dear students, faculty and staff,

Further to the President's announcement on Special Work Arrangement until February 2, 2020 issued to all staff earlier today, this is to inform you that during the period from January 29 to February 2, 2020, all University offices, Library, Learning Commons, indoor and outdoor sports facilities will be closed. Tennis Courts, Seafront Outdoor Basketball Court and Mini Soccer Pitch will however remain open. Staff bus and shuttle bus services will be suspended.

The Staff Medical Clinic will remain open as normal, but the entrance will be changed to LG1 Carpark behind Bank of East Asia. Staff and Student Dental Clinics will be closed.

Except for the essential services, Central Research Facilities will also be closed.

To provide campus residents with basic services and support, some of the catering and retail outlets will continue to operate. Please click [here](#) for detailed information.

The University will continue to monitor the situation, and keep the University community posted. Best regards,
